

Cosy series

Designed by Glismand & Rüdiger, Denmark

The Cosy modular sofa combines a tight expression with inviting and soft elements. Made with fine handcrafted details, such as a solid wood base – and an upholstered frame with beautiful piping that exudes quality craftsmanship. The slender legs are supported by a steel frame, giving Cosy a light expression, but still very robust. A comfortable and luxurious sofa with a classic look.

Meet the designer

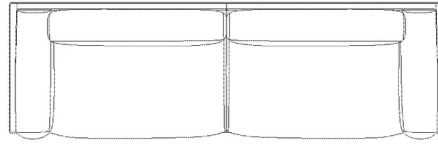

Bolia was born in Denmark, and so was the renowned design duo Glismand & Rüdiger – an origin that serves as main source of inspiration in their approach to furniture design. When designing furniture, the design duo seeks inspiration from the vivid Scandinavian nature and materials while honouring the proud design tradition built on simplicity, elegance, craftsmanship and sustainable materials. “We share a passion for Scandinavian design and natural materials. Sustainability is the starting point for every new design we create. All the way from the first sketches to the final product, cause what we believe the most, is designing beautiful products that are built to last and survive trends.” For Glismand & Rüdiger Scandinavian design isn’t a label, it’s a commitment in their design-work. It’s something to be interpreted in contemporary and new ways, and something to be proudly honoured.
