Beetle Meeting Chair - Un-Upholstered, Height adjustable 4-star base

Designed by GamFratesi - 2013

ITEM NUMBER 61380

DESCRIPTION The Beetle Chair from GamFratesi was an instant classic when it launched in 2013, and the many new configurations that have been added since have made it suitable to almost any space and type of usage. Reinterpreting the characteristic elements of the beetles' sections - shape, shells, rigid outsides and soft insides – GamFratesi conceived of a chair that is at the same time striking, refined, and sublimely comfortable. Now, the addition of a pneumatic height-adjustment cylinder to the 4-star meeting chair's base, with or without castors, makes it even more flexible, able to adapt to the diverse needs of the modern workplace, whether that be at home, an office, or somewhere in between.
