PRODUCT FACTS

Description
Flick Rug is a simplistic, yet detailed rug, hand-tufted from 100%New Zealand wool – a material known for its softness, durability and insulation. With a thickness of 18mm, each rug is characterized by its detailed weaving of intricate patches that merge seamlessly from a distance, creating a fickering effect and beautiful interplay of colors. Flick Rug comes in three sizes and three color combinations.

Designer / Year Of Design
Yuchen Wu / 2024

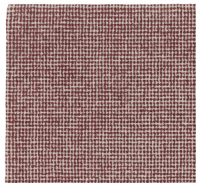

Material
100% New Zealand wool

Construction
The Flick Rug is hand-tufted in 100% New Zealand wool and has a thickness of 18mm.

Maintenance
Vacuum on low-power with a flat nozzle attachment. Shedding of loose fibers might occur in the beginning. Never pull loose threads or yarn, instead trim the carpet carefully with scissors.
Absorb stains promptly with a clean, undyed cloth. Do not rub. Avoid harsh chemicals as this might discolor the rug. For tougher stains, contact a rug cleaning professional.
