Flaneur sofa - 2 seater

Designed by GamFratesi - 2026

ITEM NUMBER 62372

DESCRIPTION As the classic English roll-arm sofa interpreted through GamFratesi's distinctive lens, Flaneur Collection is recalibrated in close collaboration between GamFratesi and GUBI through refined ergonomics and reengineered construction. A shortened seat depth supports a balanced, engaged sitting posture, while a seat core combining pocket springs and layered high-performance foam delivers responsive comfort, durability, and long-term shape retention. Tightened upholstery and integrated cushion alignment sharpen the silhouette, reinforcing Flaneur's architectural clarity and suitability for contemporary residential and hospitality settings.
