

Veneda series

Designed by BOLIA Design Team, Denmark

Veneda is a timeless series of sofas and poufs. With a luxurious combination of 70% goose down and foam filling, it is incredibly soft and inviting, designed with an elegant expression to surpass fleeting trends and tendencies. The smaller seat depth of Veneda Slim allows for a more upright sitting position than the original – perfect if you prefer a shallower sofa. Veneda's fabric cover is completely removable, ensuring a long lifetime and the ability to adapt the sofa to changing needs over time, and the legs can be chosen in many different colour options in both metal and solid oak.

Meet the designer

We believe that good design is not only about what you see but also about how it is created and the emotions it stirs. Rooted in Scandinavian design traditions, a liberal view of human nature and respect for nature and people, we always stand by our core values – also in our designs. We love functional design, natural materials, beautiful rooms, craftsmanship, durability and substance. Design that is tailored specifically for you and made to last for years.
