CH621 SWIVEL CHAIR

HANS J. WEGNER

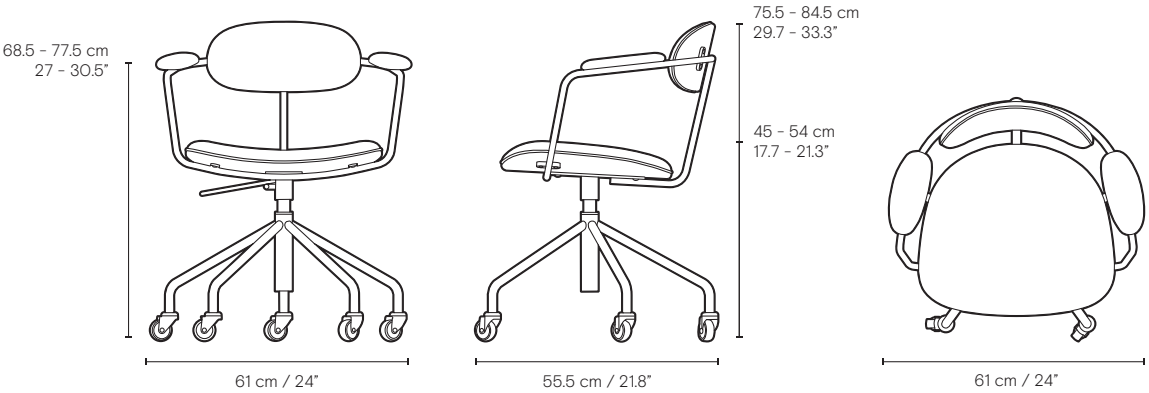

CH621 SWIVEL CHAIR

CH621 Swivel Chair combines a sleek steel base with tactile oak, leather, and textile accents. Originally created over 75 years ago, the chair has been thoughtfully updated for today's needs.

A gas-lift mechanism ensures smooth height adjustment, while five custom castors offer enhanced stability.

Wegner's vision balances industrial character with enduring elegance. Each chair is crafted in Denmark, using premium materials to elevate both comfort and craftsmanship.
