| ITEM NUMBER | 60219 |
| DESCRIPTION | CDC.2 Sofa was designed by Carlo De Carli in 1954 and features the elegantly minimalist design style, typical of the era. The CDC.2 Sofa meets the ground in a graceful and slender way; its arms swooping like wings, giving the furniture a sense of poetic depth, whilst carrying a strong character. With its sleek silhouette and dynamic, angular lines the sofa marries streamlined functionalism with playful whimsy and is well-suited for conversation and relaxation in the modern residential environment. |
