Red clay bowls with striking patterns

Line Bowls present a collection of exquisite bowls crafted from red clay, adorned with captivating Black and Cream decal prints on the inner sides. Available in three sizes, each variant features its own, distinctive decoration of seemingly random lines and contours, presenting a harmonious design that blends a minimalistic, classic shape with intriguing, geometric patterns. The distinctive interplay between the red clay exterior and the decorative, printed interior defines the essence of Line Bowl's captivating aesthetic. Due to the manufacturing process, every Line Bowl is a little bit unique.

Versatile in nature, Line Bowls are not only functional vessels but also ornamental objects. Use them for anything from a display in a captivating still life arrangement to serving delicious salads or your favorite fruits, these bowls effortlessly adapt to various purposes.

Connecting People and Spaces

Since Normann Copenhagen's foundation in 1999, our ambition has been to challenge conventional thinking and make the ordinary extraordinary through great design. By combining the craftsmanship, functionality and endurance characterized by our Danish design heritage with modern silhouettes and durable materials, we aim to create original products in a contemporary design that withstand the test of time. We believe in uniting people and spaces across the world and improving the quality of people's lives through the power of great design. Our products combine functionality and design and accommodate the diversity of needs of modern life in residential and professional interiors alike.
