Bat Dining Chair - Front Upholstered - Plastic base

Designed by GamFratesi - 2018

ITEM NUMBER 30092

DESCRIPTION The Bat Dining Chair is created with a Scandinavian approach to crafts, simplicity and functionalism by Danish-Italian design-duo GamFratesi. The embracing shell with armrests equally embodies both aesthetics and comfort while carrying strong references to the interesting and distinctive shape of a bat's wingspan.
The wide range of shell colours provides for a personalised expression that makes the Bat Dining Chair fit perfectly into a variety of public and private contexts.
