PRODUCT FACTS

Description
Slice is a classic table in oak veneer with an exquisite finish that fits beautifully with a Scandinavian decor. The hardness and durability of the materials make the table suited for frequent and long-term use. Slice comes in two different versions: one with a linoleum tabletop and oak edges and one in pure oak. The pure oak variant is crafted from FSCTM certified (FSC-C163461) oak and oak from other controlled sources.
