FRITZ HANSEN

MONOLIT™

Product Fact Sheet

MONOLIT™

The Monolit™ by Cecilie Manz is a contemporary chair defined by a distinct, enveloping form that balances elegance with practicality and comfort. Its signature cocooning shape offers a welcoming embrace while creating a subtle sense of privacy. The design also incorporates a space beneath the seat for discreetly storing personal items. Available in two heights for dining and lounging, the dining version is offered with either a fully upholstered base or a crafted veneer base. Two armrest heights are offered to suit different table heights as preferred.
